Subject to change!

(3/28/11)

Shaded areas indicate those activities that require preregistration at the Holiday Inn before brunch.

Before brunch be sure to use your name sticker to sign up for a scheduled time or limited space afternoon activity that you'd like to attend. After each lady has had the chance to choose an activity, we'll then open it up to additional sign ups at approximately 10 am.

There are many Downtown Neenah businesses that will be open and offering exciting unadvertised activities or specials all afternoon that do **not** require sign up as well (unshaded areas above).

Most activities are included in the \$25 Ladies Day registration.
A few require an additional fee - those are marked above.
